

January 31, 2018

AES-O-NRC-18-02948

ATTN: Document Control Desk  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555-0001

REF: AREVA Nuclear Materials LLC  
Eagle Rock Enrichment Facility  
NRC Docket No: 70-7015  
License SNM-2015

Subject: Annual Summary of Changes to the Eagle Rock Enrichment Facility (EREF) Pursuant to 10 CFR 70.72(d)(2) and 10 CFR 70.72(d)(3)

Pursuant to 10 CFR 70.72(d)(2), which requires a brief summary of the changes to the records required by 10 CFR 70.62(a)(2) which did not require NRC prior approval under 10 CFR 70.72, this letter provides notification that there were no changes to those records (i.e., safety program).

Similarly, pursuant to 10 CFR 70.72(d)(3), which requires a summary of facility changes which did not require NRC prior approval under 10 CFR 70.72, this letter provides notification that there were no changes to the EREF Integrated Safety Analysis Summary.

Additionally, due to the rebranding announced by New AREVA on January 23, 2018, ANM will be changing its name consistent with the new name ORANO. Please note that this is a name change only, and does not result in any ownership changes or creation of any new legal entities.

If there are any questions or if additional information is needed, please contact me at 202-969-3241.

Respectfully,

James A. Kay  
Licensing Manager
