John,

With that issue resolved, we find the new license language acceptable.

John,

I had two documents (ML17346A134 and ML17345A157) combined into one package (ML18002A247). The individual documents are publicly available but the admin made the package non-public.

I am having that correct.

Anyhow, it is the submittals on November 17, 2017.

John

John,

The **ML18002A247** document isn't on ADAMs. Can you please confirm what that document is?

Thanks,
John
