Ray

We assume that to mean that the report submitted with the Rev 1 ER submittal is unchanged from that submitted with Rev 0.

Thanks for this confirmation.

Khurshid,

For some reason, it won't let me link the document (or at least I couldn't figure it out), but if you go to:

<https://adams.nrc.gov/wba/>

and then do an advanced search for Accession Number ML091950686 in document properties, you can find the agreement as attachment 2 to the petition starting at page 48.
