Subject: Corrected Copy of Amendment 74

Discussion:

Mike Bohan called me to say that he reviewed amendment 74 and found that condition 11D references a material in item 6S. However, there is no item 6S. When a material was removed and the item numbers changed, that change was not reflected in Condition 11D.

Action Required: Correct Condition 11D to reference the appropriate material and issue a corrected copy of amendment 74.
