Subject: [External_Sender] NRC license Small Business definition versus SBA Small Business definition

ISSUE: NRC license Small Business definition for \$amount is not same as \$amount for SBA Small Business definition.

DISCUSSION: It makes it difficult to keep track of same definition creating additional recordkeeping which is not necessary and does not add to creation of business.

The definition defined by the SBA better reflects the intent of a "small business".

RECOMMENDATION: NRC update its definition of Small business for license purposes to same as SBA.
