Personnel Change Notice

To whom it may concern,

Please process this formal request for Hikaru Okamura to be removed from his current capacity as RSO/primary point of contact for NRC license number 45-23855-01E effective February 1, 2018. Christopher Wheaton, Director of Operations for KRISS USA, INC will be instated as the RSO/primary point of contact for the aforementioned NRC license. Christopher Wheaton has taken the 8 hour RSO course and his certificate is included in this E-mail for your reference. This letter has been provided to the appropriate staff of the Virginia Department of Health's Radioactive Materials Program.

A written confirmation of this request being processed would be greatly appreciated, please send such a confirmation to KRISS USA, INC's mailing address below.
