**Re: Freedom of Information Act Request
FOIA Coordinator**

Dear Sir/ Madame:

Please find the attached FOIA Request made pursuant to the Freedom of Information Act, 5 U.S.C. §552 et seq., we request copies of the following documents related to the below facility:

**JCPL Oyster Creek Nuclear Plant
Lacey Township**

Document Request: This request seeks any and all information as respects the steam systems at Oyster Creek Nuclear Plant, any construction documents, purchase or sales order information, contracts or other information related to the steam systems at the location, any and all identification of manufacturers of pumps or valves at the location, any lists of equipment for the premises, including but not limited to equipment associated with the steam systems. This request also seeks information on any and all documents regarding asbestos at the Oyster Creek Nuclear Plant, including but not limited to, asbestos abatement, asbestos products, asbestos containing products, asbestos components associated with equipment, all safety information and programs related to asbestos from their inception to the present, any and all asbestos contractors or information regarding the presence of asbestos on the premises during the period of 1965 through the present.

Documents include but are not limited to, copies of any materials, reports, writings, memos, contracts, maps, diagrams, or any other written or photographic material related to the steam systems, related to asbestos and/or related to asbestos containing materials at the location including inventories of asbestos-containing materials, contracts involving the use of asbestos, contracts for abatement, any and all reports, writings, documents, maps, diagrams, drawings, or photographs relating to any abatement, any and all reports, writings, documents, maps,

diagrams, drawings, or photographs relating to inspection of asbestos-containing materials or equipment or inspections and any and all reports, writings, documents or photographs relating to asbestos generally at the aforementioned site.

Please note, the Oyster Creek facility was owned by GPU, First Energy Corporation from 1969 through 1999 until it was sold to AmerGen Energy. AmerGen Energy owned the property until 2003 when it was sold to the present owner Exelon Corporation in 2006. We request the above information for the location covering the entire period regardless of ownership.

We agree to pay duplication fees for the processing of this request. If copying charges exceed \$100.00, please call for authorization so that we can have an understanding of what has been located and the cost associated with same. Electronic transmittal of documents is acceptable. Should you have any questions regarding this request, please do not hesitate to contact me at sdivita@pdltlaw.com or 732-947-9190.

Thank you in advance for your cooperation and prompt attention to this matter.
