**Subject:** Change of Control, GeoConcepts Engineering, Inc. - Control # 601862

Celimar,

I have a new action for a change of control. This is a direct change of control. The information is below:

Transferor

Licensee – GeoConcepts Engineering, Inc.

New Name - GeoConcepts  
Engineering, Inc. a Company of  
Terracon Consultants, Inc.

License No. – 45-25467-01

Docket No. – 03035002

Control No. – 601862

Transferee

Licensee – Terracon Consultants, Inc.

License No. – 15-27070-01

Docket No. – 03032176

At this time the Transferee (Terracon) wants to maintain the NRC license for GeoConcepts until such time that companies integrate Tax ID numbers. The document is under the accession no. ML18003A281, which was declared publically available on 1/3/2018. The action needs to be posted to the NRC website. Please let me know if you need any additional information. Thanks.
