Gentlemen:

The Commission's Office of the Controller has been authorized to refund the Class II (\$1,200) amendment fee for Palisades Plant which was sent with your application dated September 28, 1979. The Commission has determined that a waiver of the license amendment fee for this Technical Specification change relating to fire protection is appropriate.

The refund is now being processed by the Controller's office and will be sent to you as soon as possible.

Sincerely,

Original Signed by
