PALISADES PLANT - CEN-128, RESPONSE
OF COMBUSTION ENGINEERING NUCLEAR
STEAM SUPPLY SYSTEM TO TRANSIENTS
AND ACCIDENTS

Reference (A) transmitted the subject report on behalf of the C-E Owners Group in response to the requirements listed in References (B), (C), and (D). The purpose of this letter is to inform the Commission that this report is applicable to Consumers Power Company's Palisades Plant and constitutes our response to the short-term analysis and emergency procedure guidelines requirements of Section 2.1.9(c) of NUREG-0578.

As stated in Reference (A), it is intended that the information contained in this report be used for the training of reactor plant operators and the revision of our emergency procedures if our review indicates that any revisions to our procedures would be beneficial.

It is our intention, unless otherwise informed, to proceed with the use of this report in order to meet the schedule requirements listed in Reference (C).
