Michelle,
We can have myself as the RSO. If for some reason I leave, Chris can put one of the other two RSO's in. I have, and will be training the two gentlemen here on site.
Have a great day

Mr. Heyrend,

I'm working on your amendment request to name you as the RSO. However, we have two additional request from you to name other individuals as the RSO(s). So, I need to know which request to process?

Thanks
