Re: Amendment to Materials License No. 06-31409-01.  
Docket No. 03038300

*03038300*

Mr. Robert Gallagher:

The following information is submitted for the Materials License of our enterprise. We reviewed the guidance documents found in NuReg 1556, Vol 15 Rev. 1, Appendix E, and have determined that only the name has changed to reflect the modification to a "for profit" tax status of the business.

ITEM 1. We have changed to a for profit business tax status and that has resulted in a change to the registered business name, as shown below:

From: NORTHEAST REGIONAL RADIATION ONCOLOGY NETWORK, INC  
To: NRRON, LLC

The licensed address of use has not changed and no other changes have been made in our operations, the Board of Directors, our facilities, nor, the radiation safety program that we provide.

If you have any questions or desire additional information, please contact me at (860) 533-4000.

Thank you for your time and efforts with our requests.

Respectfully submitted,

  
\_\_\_\_\_  
Daniel Delgallo,  
Administrative Director

This is to acknowledge receipt of your:  Letter and/or  Application Dated: 11/29/2017

The initial processing, which included an administrative review, has been performed.  
 Amendment  Termination  New License  Renewal

There were no administrative omissions identified during our initial review.

This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>  
Follow the instructions on the form for submission.

The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
