

JUL 29 1986

Docket No. 50-255

Consumers Power Company  
ATTN: Mr. Kenneth W. Berry  
Director of Nuclear Licensing  
1945 West Parnall Road  
Jackson, MI 49201

Gentlemen:

By letter dated July 17, 1986, we informed your Company that any review costs for your February 5, 1985 application (TAC 57256) would be determined and would be billed to your Company in accordance with the current 10 CFR 170.12(c). There were no additional professional staff hours or contractual costs associated with the review of your February 5 application above those previously billed on Invoice No. E0652 dated April 1, 1986. Consequently, we consider fees to be a closed issue for your February 5 and other applications which were withdrawn from review by your March 5, 1986 letter.

Sincerely,

Original Signed by:
