Hi Tammy,
Zahid received an email from a licensee requesting license termination. Please process the attached letter in as a termination request and email the licensee contact a link to the termination form and ask him to complete the form, sign, and submit the information so we can take action. Let me know if you have any questions. Please also put the emails into ADAMs. Thanks - Patty

Simpson Construction Materials, LLC, License 24-32770-01 want to terminate their license. Attached is the letter showing the gauge was transferred to the manufacturer. I told Mr. JC Webb to contact the MLB to process the license termination request and I provided him the MLB contact number.

Thanks
Zahid

Good afternoon Zahid,

We no longer need our nuclear density gauge and have returned it to the manufacturer for disposal. We will be ending our license as well.
