Dear Mr. Slade:

This refers to the telephone conversation between Mr. P. M. Donnelly of your staff and Mr. E. R. Schweibinz of this office on September 26, 1991, regarding arrangements for an enforcement conference between members of our respective organizations. This meeting is scheduled for Wednesday, October 9, 1991, 10:00 a.m. (CDT), at the NRC Region III office at 799 Roosevelt Road, Building 4, Glen Ellyn, Illinois.

The purpose of this meeting is to discuss the findings of the inspection conducted at your facility from September 10 through 20, 1991. The inspection identified apparent violations of NRC requirements. The inspection report, No. 50-255/91017, was provided to you in our NRC letter dated October 1, 1991. Please be prepared to discuss at the Enforcement Conference in both your oral presentation and in a concise written handout the topics listed in the cover letter to inspection report No. 50-255/91017.
