Dear Hanady (at HVI) and Tammy (at NRC):

I got a VM from Tammy at the NRC with questions about the withdrawal request.

Hanady, I will need you to resend (via email to Tammy) the cover-letter to the NRC to void the request to add the (old)Southfield site. BEFORE sending to the NRC, please need to transfer the letter onto facility letter head, add the current date, and have executive management sign the cover letter (same person who signed the original request to add the SF site). Please also add (below the Mail Control number) that this withdrawal request is in reference to the letter dated January 23, 2018. Please email the document as a scanned document or PDF to Tammy.

Tammy, the control number to which this withdrawal request refers to is already referenced on the letter.

Mail Control No. 602465

If you have any questions or concerns, please feel free to contact me.
