SUBJECT: REQUEST TO WITHHOLD PROPRIETARY INFORMATION FROM PUBLIC
DISCLOSURE

In an affidavit dated May 25, 2017, Stanley Stearns, President and Radiation Safety Officer for Valco Instruments Company, Inc. (Valco) requested that the technical drawings marked "PROPRIETARY" in red capital letters included in the attachment of the Valco application dated May 31, 2017, be withheld from public disclosure. Staff reviewed the application and did not find any documents marked "PROPIETARY". Staff attempted to contact Valco staff in an email dated February 1, 2018, however the NRC has not received a response.

No information has been identified as proprietary as such the staff will not respond with a formal letter to Valco. However, the staff will not make the application publicly available.
