Hi Randy,

In order for the document to be posted to the public website, the document must be profiled as publicly available. Also, a release date must be set. Please have one of your LAs change the document's availability to publicly available, **DONE** immediate release, **DONE** and have them set a date of today, 1/3/2018, **DONE** as the release date. Once the document is declared and has become publicly available, I can proceed with the posting.

Thank you,
Celimar
