Hi Shawn,

Thanks for your call!

I would like to withdraw the request for adding Dr. Tony Francis, MD as an AIJ for 1-90 Therapies and 1-90 SIB-spheres therapies at this time. I will submit a separate license amendment request once Dr. Francis becomes on-board and completes the three supervised patient hands-on cases for each type of therapies at our facility. Thank you so much for all your help and feel free to let me know if you have any questions or concerns!

Hi Penny,

I haven't received any confirmation regarding the license amendment request that I have submitted a month ago, so I just want to check back with you to make sure the request has been received and is under process. Please let me know if otherwise or if you need any additional information. Thank you so much!
