Discussion: Discussed that since only 100 and 200 activities conducted in new areas; could proceed with changes under notification pathway. To complete amendment of license to tie-down new facilities, require the following confirmations based on discussions with Tara Rindos – (i) prior treadmill room will now be used for injections; and (ii) prior waste storage area will still be used. These prior areas were described in the May 11, 2011 letter. In addition, Ms. Rindos confirmed that Dr. Schneider has replaced Dr. Wable as the President and they will note this in their response.
