Subject: [External_Sender] Semi-Annual Effluent Report

Ron

As discussed with you on Tuesday, February 27, 2018 we are currently awaiting Th-230 environmental air monitoring results from our vendor laboratory. The lab has indicated this analysis will be completed on Friday, March 2, 2018. As discussed Uranium is requesting that the semi-annual effluent report be submitted by Friday, March 9, 2018.

Thanks,

Scott
