Dear Ms. Hobe:

This letter provides the annual certification of the emergency assistance agreement between INPO and its member utilities. In the event of an emergency at your utility, INPO will assist you in acquiring the help of other organizations in the industry, as described in Section 1 of the *Emergency Resources Manual* (INPO 86-032). In addition, INPO will provide assistance by using its own resources, as requested and as appropriate.

This agreement will remain in effect until terminated in writing. Please forward a copy of this letter to your emergency preparedness department for use in updating your emergency plan.

Should you have questions, please contact me at (404) 644-8742 or Donna Miller, staff assistant - emergency preparedness, at (404) 644-8893.

Sincerely,

John F. Groth  
Vice President and Director
