Mr. Temanson,

The requested RAI response was provided by the licensee on July 7, 1998. According to NUDOCs, the document should be available in the PDR. The document accession number is 9807140096. For your information, the staff issued its evaluation of the licensee's response to USI A-46 by letter dated September 25, 1998 (accession number 9810050056).

I hope this information is of assistance to you. In the future, please direct inquiries regarding correspondence directly to the PDR by e-mailing PDR@NRC.GOV, or calling 202-634-3273 or 800-397-4209, Monday through Friday, between 8:30 a.m. to 4:15 p.m., eastern time. Please feel free to call me if you have any further questions.

Sincerely,
Robert G. Schaaf, Project Manager
Project Directorate III-1
Office of Nuclear Reactor Regulation

I am trying to see if Consumers Energy (Palisades) has given a formal response to your RAI dated 5/12/99. (USI a-46) I searched in the PDR but was not able to find it. Can you let me know if Consumers Energy has issued a response, and if they have, how can I get a copy?

Thanks for your help.
