Darrell,

The purpose of this email is to inform you that the NRC document control desk has received the proprietary and non-proprietary package for the approved (-A) revision of the subject topical report. The staff has reviewed and verified that the (-A) package is complete and that it contains the approved version of the topical report and the final staff safety evaluation report for the approved revision of the topical report. This step marks the staff's completion of their safety review and approval of the subject topical report.

The cost activity code (CAC), 000471/99902043/L-2017-TOP-0016, that was opened for this review will be closed within 30 days. For your information, below are the ADAMS accession numbers for the non-proprietary and proprietary versions of the approved topical report.

ADAMS ML#: ML18040B306 (Non-Proprietary)  
ADAMS ML#: ML18040B307 (Proprietary)  
Document Date: February 9, 2018

If you have any questions, please feel free to contact me.

Thanks,

Bruce M. Bavol
