Re: Control# 602310

Dear Mr. Parker

I am writing to confirm the phone conversation you had with our consultant, Sean Chapel. Please allow our request to amend our Materials License with the possession of additional nuclear sources to be split out from our manufacturing request.

Our consultant is International Radiation Safety Consulting Inc. They are authorized to discuss our application with you on our behalf.

If you have any questions please call me at 812-466-5478 or email me at [John.Young@aisgauging.com](mailto:John.Young@aisgauging.com).

Sincerely,

A handwritten signature in black ink that reads 'John Young'.
