Dear Mr. Johnson:

In a letter dated January 22, 2018, HHC Health Care, LLC submitted to the U.S. Nuclear Regulatory Commission (NRC) a request for Consent to License Transfer of NRC Materials License No. 24-35232-01. The request is available electronically from the NRC's Agencywide Documents Access and Management System (ADAMS) at Accession No. ML18025B125.

After review of your request, we have noted that additional information is needed to complete our review. Specifically, as discussed with you on February 5, 2018, please provide the following information:

- 1) Describe the history/background of Heart Care Specialists, LLC and its business model. Specifically, explain how long the business is in operation, its mission and any other businesses/ventures owned by Heart Care Specialists, LLC.
- 2) Provide an organizational chart and a detailed description of management structure and individual functions including the RSO and Authorized Users at Heart Care Specialists, LLC.
- 3) Describe any affiliations of Heart Care Specialists, LLC and specify whether Heart Care Specialists, LLC or its affiliations hold any NRC or Agreement State licenses (please provide license numbers). Specifically, in your letter dated January 22, 2018, you stated that Heart Care Specialists, LLC is an affiliate of St. Luke's Hospital. Explain the relationship of Heart Care Specialists, LLC with St. Luke's Hospital including management structure at St. Luke's Hospital to demonstrate management involvement in NRC-regulated activities.
- 4) State the date on which the Transfer of Control from HHC Health Care, LLC to Heart Care Specialists, LLC will be completed or was completed.

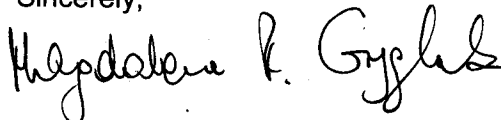

S. Johnson

Good morning Mr. Johnson,

After further review of the case, a site visit at Heart Care Specialists, LLC may not be necessary. I will be sending a formal letter to Heart Care Specialists, LLC requesting a response. In the letter, I will include questions as stated in my email dated 2/6/18. Additionally, I would like for you to explain in detail the affiliation of Heart Care Specialists, LLC with St. Luke's Hospital including management structure at St. Luke's Hospital. Please let me know if there is another point of contact I can work with to get these questions addressed.

Thank you

Mr. Johnson,

It was a pleasure talking to you yesterday. My email serves as a follow-up to our discussion regarding the proposed transfer of control of HHC Health Care, LLC to Heart Care Specialists, LLC. As we discussed, please provide the following information:

- 1) Describe the history/background of Heart Care Specialists, LLC and its business model. Specifically, explain how long the business is in operation, its mission and any other businesses/ventures owned by Heart Care Specialists, LLC.
- 2) Provide an organizational chart and a detailed description of the management structure and individual functions including the RSO and Authorized Users at Heart Care Specialists, LLC.
- 3) Describe any affiliations of Heart Care Specialists, LLC and specify whether Heart Care Specialists, LLC or its affiliations hold any NRC or Agreement State licenses. If so, please provide the license numbers.

Based on the information received, I will be conducting an NRC site visit. The purpose of the site visit is to verify that the radioactive material will be used safely and for the intended purposes. I will provide details regarding the site visit in a separate correspondence.

Please provide a written response by February 20, 2018. Your response should be signed and dated by an authorized personnel. You may submit your response as a pdf document via email at Magdalena.Gryglak@nrc.gov. Please reference control no. 602249 in your response.

Sincerely,

Magdalena R. Gryglak
