EXECUTIVE SUMMARY

New Directive and Handbook 10.164 serve as a guide for U.S. Nuclear Regulatory Commission employees, supervisors, and managers to the NRC Office of Small Business and Civil Rights Outreach and Compliance Coordination Program (OCCP). This management directive (MD) reflects the agency's commitment to (1) promoting equal opportunity in NRC-conducted and Federal financially-assisted programs and activities, and (2) workforce development and diversity and inclusion by providing support and assistance to minority serving institutions.

This MD is issued to—

- (1) Define the agency's Federal responsibilities and regulatory requirements related to the programs and services provided under the OCCP, and
- (2) Reflect the structure and functions of the OCCP.

Information regarding the NRC's external complaint processing and investigations can now be found in NUREG-2185, "The U.S. Nuclear Regulatory Commission's External Complaint Processing and Investigation Procedures Manual."

I. GENERAL OVERVIEW

A. Introduction

1. The U.S. Nuclear Regulatory Commission is committed to complying with antidiscrimination regulations, provisions, and requirements related to compliance programs that fall under the Outreach and Compliance Coordination Program (OCCP). This management directive (MD), in conjunction with NUREG-2185, “The U.S. Nuclear Regulatory Commission’s External Complaint Processing and Investigation Procedures Manual,” establishes and defines the roles and responsibilities of NRC’s management, staff, and other stakeholders and provides best practices in light of the agency needs.
2. The Office of Small Business and Civil Rights (SBCR) has the delegated authority to administer the agency’s civil rights programs, one of which is the OCCP. The OCCP was approved by the Commission on April 4, 2007, through SECY-07-0065, “Outreach and Compliance Coordination Program” ([ML070660387](#)), and its Enclosure 1 ([ML070871080](#)) to administer the agency’s external civil rights compliance programs. The OCCP Web page is available at <http://www.internal.nrc.gov/SBCR/outreach.html>.
The OCCP—
 - (a) Provides oversight, coordination, and enforcement of NRC and Federal regulations related to ensuring that no person is excluded from participation in,

denied benefits of, or otherwise subjected to discrimination in NRC-conducted and Federal financially-assisted (FFA) programs and activities.

- (b) Ensures uniform coordination and agencywide compliance with applicable antidiscrimination statutes, laws, guidelines, Executive orders (EOs), NRC and Federal regulations (e.g., Title 10 of the *Code of Federal Regulations* (10 CFR) Part 2, “Agency Rules of Practice and Procedure”; Part 4, “Nondiscrimination in Federally Assisted Programs or Activities Receiving Federal Financial Assistance from the Commission”; Part 5, “Nondiscrimination on the Basis of Sex in Education Programs, or Activities Receiving Federal Financial Assistance”; Part 19, “Notices, Instructions and Reports to Workers: Inspection and Investigations”); and other applicable legal authorities.
3. SBCR administers the agency’s Minority Serving Institutions Program (MSIP) under the OCCP. In 2006, the MSIP was established in accordance with Section 651(c)(4) of the Energy Policy Act of 2005 (42 U.S.C. Section 2015c). The purpose of the MSIP is to assist the agency in its efforts to help the Federal Government achieve its national science, technology, engineering, and mathematics (STEM) workforce development and diversity and inclusion initiatives related to education and employment.

B. Design and Structure of the Handbook

- 1. This handbook is designed to be used as—
 - (a) A supplement to Directive 10.164,
 - (b) A knowledge management transfer tool, and
 - (c) A tool to provide openness and transparency regarding the Commission’s compliance regulatory processes and MSIP efforts.
- 2. This handbook consists of the following two major sections:
 - (a) Section I: Compliance Subprograms that define NRC-conducted programs and activities and NRC FFA programs and activities.
 - (b) Section II: MSIP and Subprograms that define the following:
 - (i) MSIP,
 - (ii) Historically Black Colleges and Universities (HBCUs) program,
 - (iii) Predominantly Black Institutions (PBIs) program¹,
 - (iv) Tribal College and Universities (TCUs) program,

¹ See Executive Order 13621, “White House Initiative on Educational Excellence for African Americans (EEAA),” July 26, 2012, for more information on HBCU and PBI programs.

- (v) Hispanic-Serving Institutions (HSIs) program,
- (vi) Asian American and Pacific Islander Institutions (AAPIs) program, and
- (vii) Minority Serving Institutions (MSIs) grants program.

C. Agencywide Compliance and Coordination with the Outreach and Compliance Coordination Program (OCCP) (Including Compliance Subprograms and the Minority Serving Institutions Program (MSIP))

1. This MD provides the management framework for the OCCP. This section describes how SBCR ensures the agency meets the requirement of the compliance subprograms and the MSIP (SECY-06-0183, "Minority Serving Institutions Programs"). The specific roles for each program are described in this handbook.
2. SBCR is responsible for planning, directing, and overseeing the implementation of a comprehensive, coordinated, integrated, and cost-effective OCCP, including conducting compliance programs and the MSIP and MSI grants program, consistent with applicable laws; regulations; Commission and Executive Director for Operations (EDO) direction; management initiatives; and policies. Specifically, the different levels of management function as follows:
 - (a) The Director of SBCR serves as the agency's administrator of civil rights and applicable outreach programs and ensures appropriate, effective, and efficient NRC-wide integration, direction, and coordination of the programs that fall under the OCCP.
 - (b) The Associate Director (AD) of the Small Business, Outreach, and Compliance Coordination Directorate, SBCR, serves as the supervisor of the directorate and is responsible for program oversight, resources, infrastructure, and effective administration.
 - (c) The AD of the Small Business, Outreach, and Compliance Coordination Directorate Program Manager (PM), SBCR—
 - (i) Administers and manages the day-to-day operations and activities of OCCP.
 - (ii) Implements the provisions of applicable NRC and Federal regulations, statutes, laws, rules, legislative mandates, guidelines, and court decisions specific to each of the programs under the OCCP.
 - (iii) Performs those duties identified in this MD under the Director and the AD of the Small Business, Outreach, and Compliance Coordination Directorate, SBCR, as delegated.

D. Role of the NRC Management, Including Office Directors and Regional Administrators

1. The NRC management's commitment to programs that fall under the OCCP at all levels must ensure that—
 - (a) In accordance with the NRC's "Limited English Proficiency Plan Implementing EO 13166," appoint at least one point-of-contact (POC) for collaboration, coordination, and recordkeeping associated with carrying out the agency's Limited English Proficiency (LEP) Plan and related activities. The POC must have substantial experience dealing with the public and/or LEP persons. If there is no one in the office with the requisite experience, the POC should be someone who will to participate in that office's interactions with the public and/or people with LEP.
 - (b) The POC complies with applicable NRC and Federal civil rights statutes, laws, rules, regulations, guidance, mandates, EOs, and MDs defined or associated with compliance in this MD.
 - (c) The POC supports and assists the OCCP when and where appropriate and provides quarterly reports to the OCCP PM regarding the office's efforts to achieve the LEP Plan.
2. SBCR Coordination Across NRC's Organizational Boundaries
 - (a) The OCCP PM leads and coordinates compliance programs across the agency. In addition, SBCR collaborates with Federal oversight agencies, including the U.S. Department of Justice (DOJ), Department of Education, Department of Health and Human Services (HHS), Environmental Protection Agency (EPA), Office of Management and Budget (OMB), the White House, and other stakeholders, to ensure the agency's compliance and outreach programs are effectively implemented and monitored through business solutions support requirements (e.g., FAIMIS, market research, GSA schedule).
 - (b) The SBCR POC leads and coordinates MSIP programs across the agency. The NRC roles are described in this directive. In addition, SBCR collaborates with Federal oversight agencies such as the White House Initiatives Offices representing HBCUs, PBIs, TCUs, HSIs, AAPIIs, OMB; the Government Accountability Office (GAO); Congress; and the White House Office of Science, Technology, and Policy to ensure the agency's MSIP is effectively implemented and monitored, and business solutions support requirements.

E. Managing NRC Activities

The legal authorities, EOs, and guidance listed in Section II.B and Section III.B and requirements identified in Section II.C and Section III.C of this handbook require the head of each Federal agency to be responsible for oversight, coordination; and, where applicable, enforcement activities. Additional information on the roles for each major program can be found in Section II.D, Section III.D, and Section III.E of this handbook.

F. Applicability

1. Compliance regulations regarding nondiscrimination in federally conducted programs and activities are applicable to NRC offices.
2. Compliance regulations regarding nondiscrimination in FFA programs and activities are applicable to recipients of NRC FFA.
3. Regulations regarding the MSIP and its programs and activities are applicable to—
 - (a) Administration of the MSIP,
 - (b) MSIs,
 - (c) MSIs that are grantees, and
 - (d) Administration of the MSI grants program.

G. Approach

1. When using this handbook as a guide to comply with applicable NRC and Federal regulations and mandates covered under the OCCP subprograms, managers and employees should—
 - (a) Comply with the requirements for NRC-conducted programs and activities, and NRC FFA programs and activities described in this MD.
 - (b) Where information in this handbook conflicts with other NRC policies, follow the guidance provided in this handbook and contact the OCCP PM for further clarification. When the conflict is with a statute, regulation, or EO, follow the law and contact the Office of the General Counsel (OGC) for further clarification.
 - (c) Contact the OCCP PM or OCCP staff for technical assistance.
2. When using this handbook as a guide to comply with the MSIP specifically, the managers and employees should—
 - (a) Follow the guidance related to MSIP programs and activities.
 - (b) Use this handbook as a supplement to MD 10.164.

- (c) Where information in this handbook conflicts with other sources, follow the guidance provided in this handbook and contact the OCCP PM for further clarification.
- (d) Contact either the OCCP PM or staff for technical assistance.

H. OCCP-Related Waivers and Exceptions

When existing policy presents an unacceptable barrier to the accomplishment of business requirements related to OCCP compliance programs, or the MSIP, SBCR reserves the right to make changes in consultation with OGC and affected NRC offices.

II. OUTREACH AND COMPLIANCE COORDINATION PROGRAM AND COMPLIANCE SUBPROGRAMS

A. Introduction

1. Internal Compliance Subprograms

SBCR administers internal compliance subprograms so that the agency may comply with NRC and Federal nondiscrimination statutes, laws, rules, regulations, guidelines, mandates, EOs, and agency directives applicable to NRC-conducted programs and activities. The internal compliance subprograms are—

- (a) The Domestic LEP (DLEP) subprogram leads the agency's efforts to implement and ensure agencywide compliance with EO 13166, "Improving Access to Services for Persons with Limited English Proficiency"; oversees implementation of the agency's LEP Plan; provides technical assistance to all NRC offices, LEP persons, and affiliated groups with respect to the DLEP; administers the domestic translation services contract; identifies channels of contact within the LEP communities and maintains records of all LEP Plan and Program activities and operational functions for reporting purposes as required by Federal regulations and mandates and NRC policies; and provides LEP training to POCs and other employees who provide language assistance services. With the input of agency POCs, DLEP staff conducts ongoing performance monitoring of the implementation of the LEP Plan and ensures that the scope and nature of the language services it provides reflect updated information on relevant LEP populations, their needs, and the experience of NRC staff; and applies specifically to NRC offices whose programs and activities have the most interaction with the public and greatest potential for interaction with LEP persons. Affected NRC offices include the—
 - (i) The Commission,
 - (ii) Advisory Committee on Reactor Safeguards (ACRS),

-
- (iii) Advisory Committee on the Medical Uses of Isotopes (ACMUI),
 - (iv) Atomic Safety and Licensing Board Panel (ASLBP),
 - (v) Office of the Inspector General (OIG),
 - (vi) Office of Public Affairs (OPA),
 - (vii) Office of the Secretary (SECY),
 - (viii) Office of the Executive Director for Operations (OEDO),
 - (ix) Office of New Reactors (NRO),
 - (x) Office of Nuclear Material Safety and Safeguards (NMSS),
 - (xi) Office of Nuclear Reactor Regulation (NRR),
 - (xii) Office of Nuclear Regulatory Research (RES),
 - (xiii) Office of Enforcement (OE),
 - (xiv) Office of Investigations (OI),
 - (xv) Office of Nuclear Security and Incident Response (NSIR),
 - (xvi) Regional offices,
 - (xvii) Office of Administration (ADM), and
 - (xviii) SBCR.
- (b) The Internal Outreach Support (IOS) Program assists NRC regulatory offices in their efforts to involve and provide all eligible members of the public (those populations that cross-cut OCCP areas: e.g., minority, Tribal, LEP, low income, disabled populations) access to, participation in, and benefits from participating in NRC-conducted programs and activities (e.g., rulemakings, licensing, decommissioning and license renewal, high-level waste, environmental impacts). The IOS Program supports outreach activities of NRC technical offices (e.g., NRR, NRO, and NMSS) (see NRR Office Instruction, LIC-203, Rev. 3, "Procedural Guidance for Preparing Categorical Exclusions, Environmental Assessments, and Considering Environmental Issues").
- (i) The IOS Program assists NRC regulatory and licensing offices (1) to fulfill the agency's obligations under the National Environmental Policy Act (NEPA); health, safety, and other requirements of the Atomic Energy Act; and other Federal environmental laws, and (2) to provide openness and transparency regarding NRC regulatory processes.

(ii) OCCP staff may assist NRC offices with responsibilities under NEPA with—

- Increased outreach to representatives of a broad cross section of the public (e.g., minority, Tribal, LEP, disabled populations) who may be affected by proposed or actual actions;
- Identifying related social, cultural, and economic impacts on minority communities, low socioeconomic populations, and Indian tribes;
- Determining whether minority or low-income populations are present in an area and may be affected by a proposed action;
- Developing effective public participation and communication strategies including identifying and overcoming linguistic (e.g., providing appropriate LEP assistance), cultural, institutional, geographic, and other barriers to meaningful participation;
- Providing interpretation and translation of vital documents, notices, and other information in languages spoken by LEP individuals;
- Assuring complete community representation in the regulatory process and retrieving relevant information/data concerning exposure to human health or environmental hazards;
- Increasing accessibility to information and meetings to LEP, disability, and minority and low-income populations (e.g., timely and effective notices regarding public meetings, hearings, forums, and other NRC activities);
- Facilitating broad and diverse public input (e.g., constructive feedback, new information, ideas, and recommended alternatives);
- Identifying MSI-sponsored programs and activities related to EO issues, research, data collection, and issues and topics of interest to NRC offices;
- Identifying interrelated cultural, social, occupational, historical, or economic factors that may lead to the environmental effects of a proposed agency action;
- Fostering development of meaningful dialogue and partnering opportunities between NRC offices, MSIs, community members, and other stakeholders; and
- Coordinating and assisting with applicable outreach efforts/activities.

(c) The Internal Disability Compliance Program implements the provisions of 10 CFR Part 4, Subpart E, “Enforcement of Nondiscrimination on the Basis of Disability in Programs or Activities Conducted by the U.S. Nuclear Regulatory Commission,” that adopts and incorporates Section 119 of the “Rehabilitation,

Comprehensive Services, and Developmental Disabilities Amendments of 1978,” that amended Section 504 of the Rehabilitation Act of 1973, to prohibit discrimination on the basis of disability in programs or activities conducted by Executive agencies or the United States Postal Service.

- (d) The Federal Education and Training Program implements provisions of EO 13160, “Nondiscrimination on the Basis of Race, Sex, Color, National Origin, Disability, Religion, Age, Sexual Orientation, and Status as a Parent in Federally Conducted Education and Training Programs,” in NRC programs falling within its coverage (see EO 13160 Guidance Document, “Ensuring Equal Opportunity in Federally Conducted Education and Training Programs”).
- (e) The Sex Discrimination Compliance Program implements provisions of Title IV of the Energy Reorganization Act of 1974, as amended (42 U.S.C. 5891 et seq.), that relates to nondiscrimination with respect to sex in NRC licensing actions and FFA programs and activities.

2. External Compliance Programs

These requirements apply to NRC FFA programs and activities. The eight external compliance subprograms safeguard against discrimination by ensuring recipients of FFA comply with antidiscrimination laws.

- (a) The Title VI Program implements the provisions of 10 CFR Part 4, Subpart A, “Regulations Implementing Title VI of the Civil Rights Act of 1964 and Title IV of the Energy Reorganization Act of 1974”; 28 CFR, Subpart F, “Coordination of Enforcement of Non-Discrimination in Federally Assisted Programs”; NUREG/BR-0457, “Your Rights Under Title VI of the Civil Rights Act of 1964”; and Council on Environmental Quality, related to nondiscrimination with respect to race, color, or national origin in any program or activity receiving FFA from the NRC.
- (b) The LEP Program implements provisions of Title VI and EO 13166 (as related to access to services regardless of national origin or LEP) and provides guidance and ensures NRC recipients of FFA provide eligible LEP persons meaningful access to FFA programs and activities (see NUREG/BR-0344, “Know Your Rights: Limited English Proficiency (LEP),” NUREG/BR-0345, “Affirming LEP Access & Compliance in Federal and Federally Assisted Programs,” and LIC-203, Rev. 1, “Procedural Guidance for Preparing Environmental Assessments and Considering Environmental Issues”).

-
- (c) The External Outreach Support Program implements provisions of Title VI to ensure applicable NRC recipients of FFA address disproportionate adverse impacts to human health and environment as a result of their programs or activities (see Letter from Assistant Attorney General Kim to Federal agencies about Nondiscrimination on the Basis of Race, Color, or National origin: Hurricane-Related Issues, Civil Rights Restoration Act of 1988).
 - (d) The Disability Compliance Program implements provisions of 10 CFR Part 4, Subpart B, “Regulations Implementing Section 504 of the Rehabilitation Act of 1973, as amended,” which relates to nondiscrimination with respect to persons with disabilities in any program or activity receiving NRC FFA.
 - (e) The Age Compliance Program implements provisions of 10 CFR Part 4, Subpart C, “Regulations Implementing the Age Discrimination Act of 1975, as amended,” which relates to nondiscrimination on the basis of age in any program or activity receiving NRC FFA.
 - (f) The Title IX Program implements the provisions of 10 CFR Part 5, “Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance,” with respect to eliminating (with certain exceptions) discrimination on the basis of sex in any education program or activity receiving NRC FFA, whether or not the program or activity is offered or sponsored by an educational institution, as defined in Title IX of the Education Amendments Act of 1972, as amended (20 U.S.C. 1681 et. seq.), and its regulations (see NUREG/BR-0460, “Nondiscrimination on the Basis of Sex in Federally Assisted Programs”).
 - (g) The Pre-Award Compliance Review Program conducts reviews consistent with the legal authorities cited in Section D to identify “red flags” or “issues of concern” regarding discrimination before NRC offices provide an FFA award. Pre-award reviews shall be completed by SBCR within 20 business days following SBCR’s receipt of the pre-award package (see MD 11.6, “Financial Assistance Program”).
 - (h) The Post-Award Compliance Review Program, consistent with the legal authorities cited in Section II.B of Directive 10.164, provides ongoing oversight and monitoring following receipt of NRC FFA to ensure the recipient is complying with regulatory requirements and mandates for the duration of NRC’s grant award (see NUREG-2186).

B. Legal Authorities and Other Guidance Related to the OCCP

The SBCR PM should ensure that the SBCR OCCP provides civil rights training and guidance to NRC staff and external stakeholders. OCCP staff is required to acquire the breadth and depth of knowledge needed to effectively work with NRC offices and recipients, provide appropriate technical assistance, and help NRC offices and recipients comply with NRC and Federal regulations. Training on Title VI of the Civil Rights Act must, at a minimum, be given to all NRC employees or contractors substantively involved in any part of the Title VI program, including program staff involved in administering Federal financial assistance.

C. Federal Requirements for the OCCP (for Informational Purposes only)

NRC must meet required Federal responsibilities and obligations for outreach coordinating and implementing activities. Examples of inherently governmental requirements are provided below for informational purposes only.

1. Ensure the agency's actions are consistent with the provisions of EO 12250, "Leadership and Coordination of Nondiscrimination Laws," which authorize the U.S. Attorney General to coordinate the efforts of all Federal agencies related to the nondiscrimination provisions of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, and any other provision of Federal statutory law that provides, in whole or in part, that no person in the United States shall, on the ground of race, color, national origin, disability, religion, or sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity receiving FFA.
2. Cooperate with the U.S. Attorney General and the Assistant Attorney General for Civil Rights in the performance of other functions under EO 12250, and unless prohibited by law, furnish such reports and information as they may request.
3. Issue appropriate directives (whether in the nature of regulations or policy guidance) when implementing a nondiscrimination provision of a law covered by EO 12250. To the extent permitted by law, be consistent with the requirements prescribed by the U.S. Attorney General pursuant to EO 12250, and be subject to the approval of the U.S. Attorney General, who may require that some or all of them be submitted for approval before taking effect.
4. Provide oversight, coordination, implementation of provisions, and enforcement in accordance with—
 - (a) Guidance from Federal oversight agencies such as the DOJ, HHS, EPA, and OMB; and

-

V. ADDITIONAL MANAGEMENT REQUIREMENTS

A. Training and Education

OCHCO and the Office of the Chief Information Officer, in both their lead and/or support roles, will assist SBCR and each other in achieving mutually shared initiatives. These lead offices will assist and support OCCP, SBCR, in providing—

1. Comprehensive civil rights and equal opportunity training for existing and new staff, and
2. Periodic retraining of current staff to establish and update their knowledge of equal opportunity and civil rights statutes and emerging issues.

B. Compliance Reviews and Complaint Resolution

1. SBCR conducts compliance reviews (e.g., pre-award and post-award reviews) of recipients or uses other similar procedures that permit it to investigate and correct violations of NRC and Federal regulations. These reviews may be conducted even in the absence of a complaint against a recipient. A review may be as comprehensive as necessary to determine whether a violation of these regulations has occurred (see 10 CFR Part 4 and NUREG-2185 regarding compliance reviews). If a compliance review or pre-award review indicates a violation of these laws and regulations, the NRC will attempt to achieve voluntary compliance with applicable laws and

-
- regulations. If voluntary compliance cannot be achieved, the NRC will arrange for enforcement as described in 10 CFR Part 4, Section 4.336, "Compliance Procedure."
2. For disputes regarding the OCCP, parties may voluntarily agree to mediation or ADR. (See Federal Mediation Conciliation Services' Mediation Referral Form, available at <https://www.fmcs.gov/resources/forms-applications/notice-of-bargaining-f-7/>.) However, mediation or ADR is legislatively mandated for cases filed on the basis of age (see NUREG-2185, Chapter 1).
 3. SBCR will conduct an informal investigation of a complaint that is unresolved after mediation or that is reopened because of a violation of an agreement reached in mediation. Part of the initial investigation will involve informal fact-finding methods, including separate discussions with the complainant and recipient to establish the facts and, if possible, settle the complaint on terms that are mutually agreeable to the parties. SBCR may seek the assistance of any involved State agency (see NUREG-2185, Chapter 4).
 4. If SBCR cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint (see NUREG-2185, Chapter 6). If the investigation indicates a violation of Federal or NRC regulations, SBCR will attempt to obtain voluntary compliance.
 5. If SBCR cannot obtain voluntary compliance, the NRC will begin enforcement as described in the applicable sections of 10 CFR Parts 4 and 5. In accordance with 10 CFR Part 4, Subpart A, the NRC may—
 - (a) Terminate a recipient's FFA from the NRC under the program or activity involved where the recipient has violated the Act or these regulations, after the following procedures are satisfied. First, a recipient has had an opportunity for a hearing on the record before an administrative law judge. Second, the NRC Commissioners have filed a full written report with Congress pursuant to 42 U.S.C. Section 2000d-1. Cases that are settled in mediation or before a hearing will not involve termination of a recipient's FFA from the NRC.
 - (b) Take any other means authorized by law, including, but not limited to, making a referral to the DOJ for proceedings to enforce any rights of the United States or obligations of the recipients created by the Act or these regulations; use of any requirement or referral to any Federal, State, or local government agency that will have the effect of correcting a violation of the Act or NRC regulations in 10 CFR Part 4 (see NUREG-2185, Chapter 11).
 - (c) Action taken pursuant to Section 602 of the Civil Rights Act of 1964 is subject to judicial review as provided in Section 603 of that Act. The enforcement and hearing procedures are set forth in 10 CFR Parts 4 and 5.

-
6. Under 10 CFR Part 4, Subpart B, SBCR may, where necessary to overcome the effects of discrimination in violation of Section 504, require an NRC recipient of FAA to take remedial action—
 - (a) With respect to persons with disabilities who are no longer participants in the recipient's program or activity but who were participants in the program when the discrimination occurred, or
 - (b) With respect to persons with disabilities who would have been participants in the program or activity had the discrimination not occurred.
 7. Investigation, enforcement, and compliance will be done in accordance with applicable sections of 10 CFR Part 4 and NUREG-2185.

C. Consequences of Noncompliance

1. The Office of the Inspector General (OIG) is charged with investigation of allegations of staff misconduct, which must be reported to the OIG.
2. If an applicant fails or refuses to furnish an assurance required under 10 CFR Parts 4 and 5, or comply with requirements, FFA may be refused in accordance with applicable Federal laws and regulations.
3. No action to effect compliance by any other means authorized by law can be taken until—
 - (a) The responsible NRC official has determined that compliance cannot be secured by voluntary means.
 - (b) The recipient or other person has been notified of their failure to comply and of the action to be taken to effect compliance.
 - (c) At least 60 calendar days from the mailing of such notice to the recipient or other person. (During this period, additional efforts will be made to persuade the recipient or other person to comply and take appropriate corrective action.)

D. Reporting Requirements, Including Data Collections and Analysis Related to Compliance Programs

1. The NRC is required to submit to the Secretary of HHS, not later than December 31 of each year, a report that—
 - (a) Describes in detail the steps taken during the preceding fiscal year to carry out the regulations;

EO 13160 requires each Federal agency to provide the U.S. Attorney General a report that summarizes the number and nature of complaints filed with the agency and the disposition of these complaints. For the first 3 years after the date of EO 13160, these reports must be submitted annually within 90 days of the end of the preceding year's activities. Subsequent reports must be submitted every 3 years and within 90 days of the end of each 3-year period.
 4. The NRC is required to submit separate reports to the White House Initiatives Offices, including an Annual Federal Report on Executive Agency Actions to Assist Minority Serving Institutions for—
 - (a) HBCUs,
 - (b) PBIs,
 - (c) Educational Excellence for Hispanics (EEH),

 - (a) HBCUs,
 - (b) PBIs,
 - (c) EEH,

-

6. Where appropriate, each plan should include the agency's proposed efforts to—
- (a) Establish how the agency intends to increase the capacity of the applicable MSI group to compete effectively for grants, contracts, or cooperative agreements and to encourage HBCUs to participate in Federal programs.
 - (b) Identify programs and initiatives in which the applicable MSI group may be either underserved or underused as national resources, and improve their participation therein.
 - (c) Encourage public sector, private sector, and community involvement in improving the overall capacity of the applicable MSI group.
 - (d) Provide appropriate measurable objectives, and annually assess the agency's performance on the goals set in the previous year's agency plan.
