REQUEST FOR EXEMPT DISTRIBUTION LICENSE 18-23712-01E (Docket No. 030-30433 Mail
Control No. 599677)

Dear Mrs. Shirley S. Xu:

Hereby we are officially notifying you that mb-microtec USA, Inc. will no longer be pursuing the earlier requested amendment (Docket No. 030-30433 Mail Control No. 599677) and application for sealed source and device registration certificate for mb-microtec safety markers (dated May 30, 2017). Our updated assessment of US market and sales proves the safety markers project is economically unreasonable for our company.

Sincerely,

Roger Siegenthaler
