Re: Request for Transfer of Control from General Electric (transferor) to
ABB Inc. (transferee) for NRC Material License No. 04-24888-01

Dear Mr. Tran,

As stated, this letter is to request consent for Transfer of Control from General Electric (transferor) to ABB Inc. (transferee). We do not know the actual date of the sale, but it should be between May 1st, 2018 and June 30th, 2018. Below is the information requested per NUREG-1556 Appendix E-1, any question that does not apply to our business are answered as "N/A" and any question that there will be no change to the current program are answered as "No Change":

1. General Electric (transferor) sold the entirety of our business to ABB Inc. (transferee), this sale will conclude sometime between May 1st and June 30th, 2018. This change of ownership will not affect any changes in the administration of our current licensed program.
2. No Change
3. No Change
4. No Change
5. N/A
6. N/A
7. General Electric (transferor) has informed ABB Inc. (transferee) of the acquisition of the licensed program for radioactive materials.
8. ABB Inc. (transferee) has been informed that the licensed program will be periodically inspected by the NRC and that they are aware of the constraints, conditions, requirements, representations and commitments of the transferor.
9. N/A
