SUBJECT: QUESTIONS AND COMMENTS YOU RAISED IN TWO EMAILS IN  
FEBRUARY AND MARCH 2018 [2018-SST-1346]

Dear Mr. Comley:

This is to acknowledge receipt of your electronic correspondence to the U.S. Nuclear Regulatory Commission (NRC) dated February 22 and March 1, 2018, which included a large number of attachments as well as a video. Thank you for putting your request in writing so that we can ensure that there are no misunderstandings. Your two emails have been added to ADAMS<sup>1</sup> as public records. In general, over the last four years, we have placed all your incoming and outgoing correspondence in ADAMS to ensure it is publicly available. This acknowledgement letter will also be added into ADAMS as a public record.

Your emails requested that we provide your emails and their attachments to the NRC's Chairman on your behalf. We are responding to your emails directly, but are including the NRC Chairman's Office on distribution to keep them informed of your issues. However, it is up to her Office whether she elects to respond to you in this matter directly.

Due to the volume of material and issues submitted, this office will need a period of time to evaluate them. Therefore, we will respond to your issues when we are able and likely within 30 – 60 days.

Sincerely,

*/RA/*
