Dear Mr. Leyse:

This is to acknowledge receipt of your email to Chairman Kristine L. Svinicki dated Monday, March 12, 2018, regarding your request to remedy problems with the NRC technical analysis of PRM-50-93/95.

Your submission has been distributed within the NRC for consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Annette L. Vietti-Cook", with a long, sweeping flourish extending to the right.
