Subject: [External_Sender] Seabrook - March 19 ASR LAR Site Visit Plan

Hi Justin,

I'm looking at the site visit plan, it appears your staff requested documents to be uploaded to the electronic reading room (ERR). There have been a couple locations used in the past (e.g. IMS or Reference Portal). Is there a preference on which one? It appears that the Reference Portal under the LAR 16-03 title has been used the most but just want to confirm. I'm waiting on a couple documents from engineering to complete the upload.

Thanks,

Josh Greene, PE
