

Frederick W. Schneider
Vice President
Production

Public Service Electric and Gas Company 80 Park Place Newark, N.J. 07101 201/430-7373

September 21, 1979

Mr. Boyce H. Grier, Director
U.S. Nuclear Regulatory Commission
Office of Inspection and Enforcement
Region 1
631 Park Avenue
King of Prussia, Pennsylvania 19406

Dear Mr. Grier:

NRC IE BULLETIN NO. 79-07
SUPPLEMENTAL RESPONSE
NO. 1 UNIT
SALEM GENERATING STATION

Pursuant to our initial response dated May 3, 1979 on the subject bulletin, we hereby submit additional information for your review.

This information responds to your letter of August 28, 1979 (ref: IAL No. 79-12) and confirms the discussions held with the NRC staff during the meetings held in Bethesda, Maryland on June 19, 1979 and August 17, 1979.

We trust that the information contained in the enclosed attachments is acceptable and we are accordingly looking forward to returning Salem No. 1 Unit to service on October 10, 1979.

If you require any further information regarding the attached report, we will be pleased to discuss it with you.

Sincerely,

F. W. Schneider

Attach.
