Thomas S. Moore

In the Matter of

PUBLIC SERVICE ELECTRIC AND GAS
COMPANY

(Salem Nuclear Generating Station,
Unit 1)

Docket No. 50-272

ORDER

March 20, 1980

Because we have not received all the parties' responses to the Licensee's motion for directed certification and a stay, any relief from the present schedule for filing testimony should be sought from the Licensing Board.

It is so ORDERED.
