Washington, D. C. 20006

Dear Mr. Wetterhahn:

This is in response to your letter dated May 23, 1980, in which you requested that you be given advance notice of activities relating to the Salem facility and involving the NRC Staff and the Maryland Public Service Commission. Members of the NRC Staff have been requested to appear before the Maryland Public Service Commission as witnesses for the Public Service Commission's staff. We are not involved in that proceeding in any other capacity. Therefore, it would be up to the staff of the Maryland Public Service Commission to provide you with notice of any meetings, dispositions, etc. which are scheduled to take place between the Public Service Commission's staff and its witnesses.

Mr. Ronald Decker is the attorney for the Public Service Commission's staff. His phone number is (301) 383-2339. I would suggest that you contact him if you have any further problems about receiving notice of activities about which you are concerned.

Sincerely,
