Dear Mr. Muller:

This is in response to your letter of 13 September 1972 addressed to Mr. John E. Hirten, Assistant Secretary for Environment and Urban Systems, concerning the draft environmental impact statement, environmental report and supplements on the Hutchinson Island Nuclear Power Plant, Unit 1, located in St. Lucie County, Florida.

The concerned operating administrations and staff of the Department of Transportation have reviewed the material presented and we have no comments to offer. It is our determination that the impact upon transportation is minimal. We have no objection to the construction of this facility.

The opportunity to review and comment on the draft statement for the Hutchinson Island Nuclear Power Plant is appreciated.

Sincerely,

J. D. McCANN
