Dear Dr. Murley:

**RESCHEDULING OF ANNUAL EMERGENCY PLAN EXERCISE
SALEM NUCLEAR GENERATING STATION**

This letter is a request to reschedule the Salem Annual Emergency Plan Exercise from September 5, 1985 to December 4, 1985.

The reason for rescheduling is to complete the installation and training of a new emergency telephone switching system. This proposal to reschedule the exercise has been discussed between members of our staffs.

It is my understanding that the revised date is acceptable to your staff and I would appreciate your concurrence.

Sincerely,
