Hi Lazaro,

In order to fully correct violation A, you need to send a report to the NRC for the exempt distributions that occurred in calendar year 2016. Just like the letter that you sent to NRC on January 17, 2018 for exempt distributions that occurred calendar year 2017, you need to send a letter to NRC for calendar year 2016. Please cc me on the letter when you send it to the NRC. Thank you.

Dear Janine:

Unfortunately the answer could not be sent before, Mr. Cruz-Aedo was out of the office the last two weeks. Yesterday he instructed to ship it via FedEx Express overnight to a Document Control Desk and one copy to the Arlington Office. Please see copy attached.

Subject: response to NRC Notice of Violation

Importance: High

Lazaro,

The NRC Notice of Violation was issued on February 9, 2018, and Techcomp had 30 days to respond in writing. Has a response been sent to the NRC? If so, when was it sent and please provide a copy to me. If a response has not been sent, it is imperative that you send a written response promptly.
