**Subject:** Request for Additional Information

**Discussion:**

In order to complete the amendment to add Brain Wolthuis and yourself as authorized medical physicists I will need:

1. A copy of the Glens Falls Hospital license (dated 2011 or later) listing Brian Wolthuis as an authorized medical physicist (AMP) for their high dose rate remote afterloader.
2. For you, I will need a letter signed by hospital management requesting you be added as an AMP. Documentation of your training and experience as an AMP was located in MC#600658.
3. For both Brian and yourself, I will need documentation that you have completed manufacturer specific (Varian) training on HDR emergency procedures. This training may be provided by an HDR authorized user (AU), HDR authorized medical physicist, or the HDR manufacturer. Alternatively, if either of you are listed on an NRC or Agreement State license as an AMP for a Varian VariSource iX HDR, you may provide a copy of that license as documentation of your experience with a Varian HDR.

**Action Required:** Wait for additional information
