Dear Mr. Butler:

With reference to your letter on Docket No.: 50-272/311 dated July 28, 1987, I am sending you an update for your mailing list as Mr. Frank Cosolito or Mr. Gene Fisher are no longer Acting Chiefs for the Bureau of Radiation Protection. I am the Acting Chief for the Bureau of Nuclear Engineering and would appreciate replacing Mr. Cosolito and Mr. Fisher on your distribution list.

Thank you for your cooperation.

Sincerely,

A handwritten signature in cursive script that reads "David M. Scott".
