Subject: Notification of Change in Maine Yankee Board of Directors

On August 14, 2017 (Reference 1), the Nuclear Regulatory Commission (NRC) issued a favorable Foreign Ownership, Control, or Influence (FOCI) determination for Maine Yankee Atomic Power Company (Maine Yankee). Previously, the Company instituted a Negation Action Plan. In furtherance of that Plan, Maine Yankee notifies the NRC of the following:

1. Effective March 6, 2018, Terrence Kain, of National Grid, resigned his Board position; and
2. Effective March 6, 2018, Andrew Byrne, also of National Grid, was appointed to the Board.

Mr. Byrne was appointed by National Grid USA, an entity that is owned by a foreign sponsor company. National Grid USA controls the stock of New England Power Company, which owns a percentage of the shares of Maine Yankee. Enclosure 1 provides Mr. Byrne's executed Certification of Foreign Sponsor Representative that will continue to ensure that neither New England Power Company, nor any of its parent companies, will exert control, domination, or influence over operational, safety or security matters at Maine Yankee.

This letter contains no regulatory commitments.

for Mr. Andrew Byrne**

Maine Yankee Atomic Power Company

Certification of Foreign Sponsor Representative

I, Andrew Byrne, am a director of the Maine Yankee Atomic Power Company ("Maine Yankee"), and have been appointed to that position as a representative of New England Power Company. I understand that New England Power Company is an indirect subsidiary of a foreign corporation.

I am aware of the obligations of Maine Yankee with respect to Foreign Ownership, Control, or Domination ("FOCD") under 10 C.F.R. 50.38 and Foreign Ownership, Control, or Influence ("FOCI") under 10 C.F.R. Part 95. I am also aware of the protective measures implemented by Maine Yankee with respect to FOCD and FOCI requirements. I certify my understanding of the protective measures implemented by Maine Yankee with respect to exclusion of foreign-controlled sponsors and their representatives from access to classified information and special nuclear material. I further certify my understanding of the Maine Yankee's obligations with respect to FOCD/FOCI, and more generally with respect to compliance with the Nuclear Regulatory Commission ("NRC") license and NRC regulations. I will not seek and will not obtain access to classified information or to special nuclear material, nor will I take any action to circumvent the protective measures with respect to FOCD and FOCI implemented by Maine Yankee.
