**Cc:** Burritt, Arthur <Arthur.Burritt@nrc.gov>; Ragland, Randolph <Randolph.Ragland@nrc.gov>  
**Subject:** please open administrative corrected copy packages for two licensees

LAT,

Art asked me to take care of getting these Corrected Copy packages open for the following licensees. These are administrative corrections, due to changes in templates when licensing moved to WBL.

Gamma Irradiator Service  
LN 37-30850-01  
DN 030-36438

The license needs correction to change the authorized user condition FROM "...by or under the supervision of..." TO "by, or under the supervision and in the physical presence of..."

You can assign the action to me.

Thanks,  
Betsy
