LAT,

Please open a Corrected Copy for HHS/NIH
control 592838
LN 19-00296-17
DN 030-08478

This action was old enough that I had to do the Milestone 11, and inadvertently used the actual date instead of the January date of the original letter. I will take care of issuing the Corrected Copy, this one is on me, not Randy.
