Gentlemen:

Attached is one copy of "Conditional Extension of the Rod Misalignment Technical Specification for Salem Units 1 and 2." WCAP-14672, (Proprietary), August 1997. This transmittal is being made to support the technical evaluation of the referenced Exigent Request For Change To Technical Specifications, Movable Control Assemblies And Position Indication Systems, which was made by Public Service Electric & Gas (PSE&G) Company in accordance with 10CFR50.90.

Also enclosed are a Westinghouse authorization letter, CAW-97-1155 and accompanying Affidavit, Proprietary Information Notice, and Copyright Notice.

As this attachment contains information proprietary to Westinghouse Electric Company, it is supported by an affidavit signed by Westinghouse, the owner of the information. The Affidavit sets forth the basis on which the information may be withheld from Public disclosure by the Commission and addresses with specificity the considerations listed in paragraph (b)(4) of Section 2.790 of the Commission's regulations.

Due to the emergent nature of supplying the information specified in the Attachment to the NRC, the information does not have brackets around the proprietary information. Westinghouse will comply with the requirements of 10CFR2.790 to provide proprietary and non-proprietary versions of the above material as soon as the proprietary and non-proprietary versions have been prepared in their entirety.

The power is in your hands.

Accordingly, it is respectfully requested that the information which is proprietary to Westinghouse be withheld from public disclosure in accordance with 10CFR2.790 of the Commission's regulations.

Correspondence with respect to the copyright or proprietary aspects of the attachment listed above or the supporting Westinghouse Affidavit should reference CAW-97-1155 and should be addressed to Henry A. Sepp, Manager of Regulatory and Licensing Engineering, Westinghouse Electric Corporation, P. O. Box 355, Pittsburgh, Pennsylvania 15230-0355.

In accordance with 10CFR50.91(b)(1), a copy of this submittal has been sent to the State of New Jersey.

Sincerely,

David R. Powell
Director - Licensing / Regulation
and Fuels
