Dear Sirs:

We want to express our sincere appreciation to the U.S. Army Military District of Washington, Joint Forces Honor Guard for their presentation of the colors during the U.S. Nuclear Regulatory Commission's (NRC) 30th Annual Regulatory Information Conference (RIC) on March 13, 2018. The RIC is a significant event for the NRC as well as the nuclear industry, other stakeholders, and countries involved in civilian nuclear power generation around the world. This year's conference had nearly 2,300 in attendance with representation from 35 countries.

Please convey our gratitude to the following individuals for their efforts in supporting the RIC and inspiring our participants:

- Representing the United States Army: SPC Benjamin Douglas, PU2 Humberto Jimenez, and SSG Anthony Reese
- Representing the United States Marine Corps: LcPL David Huddleston and LcPL Jared Bush
- Representing the United States Navy: CN Chris Seabrooks
- Representing the United States Coast Guard: SN Steven Jester
- Representing the United States Air Force: A1C Tyler Moss

They proudly represented themselves, their branch of the armed services, and the United States. It was a pleasure to have them participate in the opening ceremonies of this year's RIC, and we look forward to enjoying the representation again next year.

Sincerely,

/RA/

Brian E. Holian, Acting Director
