Dear Mr. LeBaron:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), we would like to commend the Leed Management Consulting, Inc. (LMCi) for supporting the NRC's 30<sup>th</sup> Annual Regulatory Information Conference (RIC) held March 13–15, 2018. There were nearly 2,300 attendees, with representatives from 35 countries, at this year's conference.

The RIC is NRC's premier event and its success was due in part to the exceptional support provided by LMCi. We want to especially thank Lisa Gail and her entire team, Deanna Davidson, Rashaad Houston, Sean Randol, and Meredith Vining for their hard work and unwavering dedication to this project. We greatly appreciated Lisa's leadership and expertise in coordination between LCMi, Synergy Enterprises, Inc., and the NRC during the RICS migration. Lisa and the LMCi team demonstrated the highest commitment to quality of service and client satisfaction.

As co-sponsors for the RIC, we would appreciate your conveying our gratitude to the entire LMCi team and our deepest appreciation for their outstanding support in making the RIC a success.

Sincerely,
