Dear Ms. Devadas:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), we would like to commend the Synergy Enterprises, Inc. (SEI) for supporting the NRC's 30th Annual Regulatory Information Conference (RIC) held March 13–15, 2018. There were nearly 2,300 attendees, with representatives from 35 countries, at this year's conference.

The RIC is NRC's premier event and its success was due in large part to the exceptional support provided by SEI. We want to especially thank Sean Grobe and his entire team, Kiran Jagga, Sippy Joseph, and Todd Ossman for their hard work related to the migration of the RICS system. Their responsiveness to NRC requests, their professionalism to quickly resolve any issues during migration, and their unwavering dedication to quality of service exceeded expectations.

As co-sponsors for the RIC, we would appreciate your conveying our gratitude to the entire SEI team and our deepest appreciation for their outstanding support in making the RIC a success.

Sincerely,

/RA/

Brian E. Holian, Acting Director
Office of Nuclear Reactor Regulation

/RA/

Michael F. Weber, Director
Office of Nuclear Regulatory Research
