Thank you for the outstanding support provided by staff within the Office of the Secretary, which helped to make the 2018 Regulatory Information Conference (RIC) a tremendous success. There were nearly 2,300 people in attendance at this year's conference!

The RIC is the largest meeting sponsored by the Nuclear Regulatory Commission (NRC), and requires the contributions of many to plan and execute a conference of this magnitude. The NRC is fortunate to have skilled and talented employees whose knowledge and expertise are proudly showcased during the RIC. We would like to acknowledge the following individual from your office for their performance, professionalism, agility, and dedication:

- Session Chair/Coordinator: Thomas Wellock

Please convey our gratitude for his outstanding efforts in support of this important NRC event. RIC 2019 is scheduled for March 12–14, and we look forward to your participation in next year's conference program.
