DATE REC'D: 04/16/2018

TO: ~~Nuclear Regulatory Commission~~

PLEASE NOTE: I do not have internet access or access to a virtual FOIA reading room.

I REQUEST a printed paper copy of the following published FOIAs and the Agency reponse to this FOIA:

1, FOIA/PA-2010-00190,  
greg Harmon,

I REQUEST a fee waiver as this information is needed in regard to an educational research project involving your agency and this request has no commercial value.

The Act permits your agency to waive fees when the release of the information concerns the "operations/activities of the government" and is likely to contribute to an understanding of government operations/activities, will contribute to the public at large & is "significant" to society at large & meets the requirements of Title 6 C.F.R., Chapter 1, Part 5 §5.11(k) (1,2,3,4)

In the event the fee waiver is denied, I would request the first two hours research time & first 100 pages be provided for free. I do not want to pay any fees at all.

I would appreciate your handling this request as quickly as is possible & I look forward to receiving a response within (20) business days as the FOIA statute stipulates. This communication serves as written notice that should your agency not locate, copy & tender to me the requested FOIA documents within the (20) business days to respond, I will consider the failure to produce said documents, to be a denial of my FOIA request & I will then have the right to sue in Federal Court in order to obtain these requested documents.

Thank you very much for your assistance with this request.

Kind regards,

*CK*

Mr. Clay C. Keys (#22458-017)
