Gentlemen:

This Licensee Event Report entitled "Inoperability Of The 12 Fuel Oil Transfer Pump Due To Installation Of Incorrect Control Switch" was originally submitted on March 20, 1998. In that report, pages 2 through 6 incorrectly listed the facility name and docket number for Salem Unit 2 instead of Salem Unit 1. This letter resubmits LER 272/98-005-00 with pages 2 through 6 corrected to reflect the correct facility name and docket number.

Should you have any questions regarding this submittal, please contact R. B. Knieriem at (609) 339-1782.

Sincerely,

for
